The kick-off dance in March started the fund off. The Cuttyhunk dinner, a gift of the Harbor Beach Club and under the direction of Joe Lafferty, was a tremendous help. These plus the many subscriptions from donors made the new scoreboard possible. The Boosters Club extend their thanks to everyone who helped them in this drive.

Franklin (Bronc) Caswell will be the operator of the new scoreboard and Bob Sylvia is the announcer. The operation for the opening game was smooth and trouble free. It was a fine addition to the facilities for the enjoyment of the game.

## 26-6 OPENER

### OR IN 26-6 LOSS

The Fairhaven Blue Devils showing alert defense and generating a good offensive drive out-gunned the Old Rochester Bulldogs in Saturday's opener. Most of the Blue Devil's scores were the result of miscues as fumbles were costly to O.R. Tackle Steve Isherwood fell on an OR fumble in the first period to score the Blue Devils' initial touchdown. The second score was set up from a fumble recovery on the OR 33. A 22-yard pass play from QB Manchester to Smith made it a 12-0 ball game.

A Manchester pass was intercepted by OR's Gaudiello to start OR on its way. Moving on the ground the home 11 went from the 46 to the Fairhaven 9-yard line. A Steve Cadieux to DeCosta pass then moved the ball to the 6.

A penalty put the ball on the 3. From there Cadieux sneaked over.

In the 4th quarter a fumble was recovered by Bruce Ingram to put the Blue Devils on the OR 14. Four plays later Manchester sneaked over from the 3 and a 2-point conversion made it 20-6. The final Fairhaven touchdown was started from an intercepted pass at midfield which was returned to the OR 15. Milt Pease scored from the 3 and the final score was 26-6.

The Old Rochester team looked good defensively with some sharp, hard tackling, especially by Gaudiello. Cadieux looks promising as QB. He was right on target many times with his passes only to have the ball dropped by his receivers.

### FETED ON 60TH ANNIVERSARY

Tentative plans were made to have Mrs. Hoeh's troop meet after school in the parish house at the Mattapoisett Congregational Church on Mondays until 4:30 P.M. Parents are responsible for picking the children up promptly after the meetings. Permission slips will be sent home for the parents to sign prior to the first meeting, enabling the girls to leave the school bus at the Center School to attend meetings. No girl will be permitted to attend without assigned permission slip. The only exception on meeting dates will be Mrs. Hoeh's first meeting, next week, when her troop will meet on Wednesday instead of Monday, place to be announced.

A pre-registration session will be held next Saturday morning in the parish hall at 10 A.M. for all Junior and Cadette Scouts. Girls should be accompanied by a parent. The purpose is to determine how many troops will be needed for the girls interested. It is now believed that there will need to be one more Junior and one more Cadette troop. Those girls who sign up at the pre-registration will receive first consideration if there are not enough troops for all girls.

## MARION BRANCH OF "COMMITTEE TO END THE WAR IN VIET NAM"

In the Spring a number of concerned citizens in New Bedford joined together to form the Greater New Bedford Committee to End the War in Viet Nam. Their statement of belief begins as follows:

"We the members of the Greater New Bedford Committee to End the War in Viet Nam have joined together to promote a peaceful world so that tomorrow's children can live without fear of holocaust. In order to achieve this goal we reaffirm our humanity and that of our fellowmen. We therefore pledge ourselves to the creation of societies dedicated domestically and internationally to the proposition of self-determination and material well being of peoples of all races, creeds and nationalities; and to governments which place human rights above all others."

The Committee further believes that the Viet Nam War is the single most overwhelming threat to these goals. In the 1964 elections the American people clearly demonstrated their sympathy with such goals by rejecting military involvement in Asia. But 60,000 American casualties and nearly 2,000,000 Viet-

## HOW TO CUT HEAT COSTS:

5 tips that can help you get more  
warmth from your heating oil dollar

1. Set your thermostat back when you go to bed at night—save significantly on your heating oil bills.
2. Be sure your burner has sufficient air. Oil needs lots of air to burn properly. Don't block off air supply to burner. Don't allow dust and lint to accumulate on air intake openings.
3. Don't block hot air vents or cold

air return ducts with furniture.

4. Let us clean and adjust your oil burner. Then help keep it clean by using new clean-burning Shell Heating Oil. Shell Heating Oil is now specially climatized for this area.

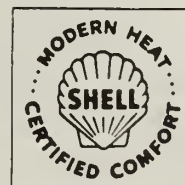

5. Stop air leaks around poorly fitted windows by using weather-stripping or storm windows.

# The ultimate in warmth without weight

## THE BLACK DEVIL

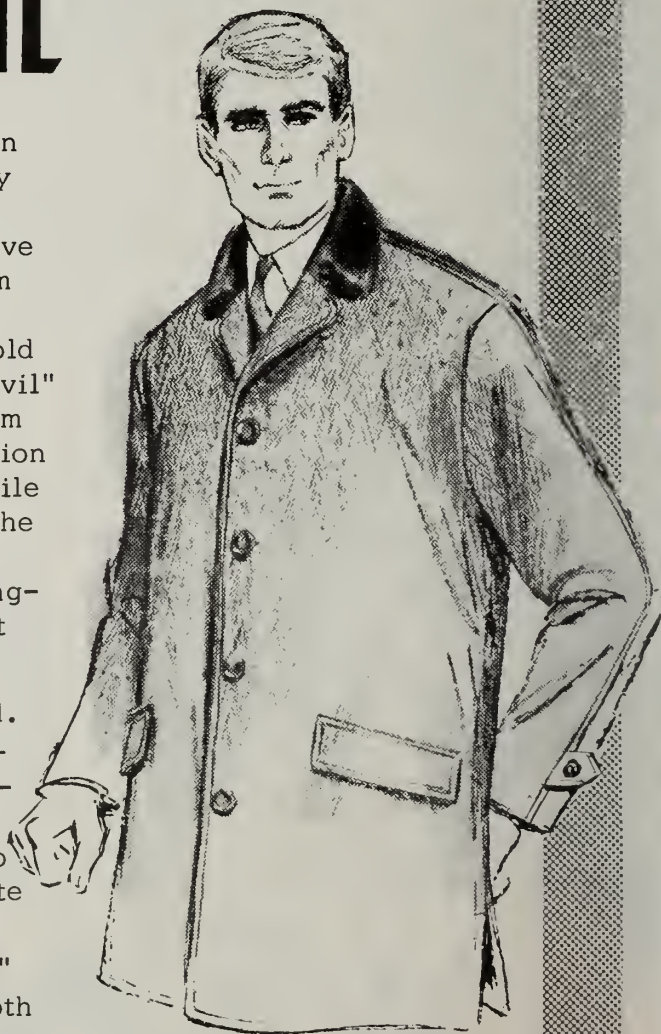

The Black Devil makes the scene...fashioned in the tradition of fine topcoats . . . in the perfect 36 inch walking coat length.

The "Black Devil" is the last word in style and comfort for a number of mighty good reasons.

Try this coat on and you won't believe it. It is so light and gives such freedom of action that it amazes everyone. Yet, it is far warmer than heavy coats with old fashioned bulky linings. The "Black Devil" has a bonded lining of Polyurethane foam which has a unique open pore construction that allows body heat to be retained while excess moisture is evaporated. This is the ideal insulation against the cold. This bonded foam prevents the fabric from sagging, stretching or wrinkling. Your coat will retain its trim appearance always.

The "Black Devil" is topcoat tailored. It is made with a topcoat drape and balance as differentiated from jacket outerwear construction. A collar of the face fabric with the foam back is included so that should there be a desire to eliminate the alpaca collar, this may be done.

This slip shouldered model in its 36" length is stylish and comfortable for both spectator and casual sports wear. It is a perfect driving coat.
